

*Christ, the Physician of our Souls and Bodies,
have mercy on us!*

*Christ, the Physician of our Souls and Bodies,
have mercy on us!*

*Christ, the Physician of our Souls and Bodies,
have mercy on us!*

*Christ, the Physician of our Souls and Bodies,
have mercy on us!*

Wearied by the storms of life,
we hasten to Your divine intercession,
O Savior of the World.
Strengthen our weakness enabling us
to carry our cross without complaint,
praising You: Alleluia!

*Kontakion to the All-Merciful Lord,
Physician of Our Souls and Bodies*
